Date : 25 Aug 2022

Re : **New Critical Lab Notification for Toxic Vacuolation Seen in Neonates**

Dear Users,

Please be informed that with effect from 28 Aug 2022, Toxic Vacuolation seen in neonates less than 90 days old will be notified to doctor via HMS.

For further enquiries, please contact the laboratory staff at 67725354.

Yours sincerely

Dr Lee Shir Ying
Senior Consultant
Head, Haematology Division
Department of Laboratory Medicine.
